6.5mm Akoya Pearl Necklaces - The 6.5mm Akoya Pearl is our smallest pearl strung for necklaces. This size pearl is very just right for the teenager. Small to petite women find this size will be complimentary. Our clients often give this size to the young to mid teens, for Christmas, birthdays, graduations, Bat Mitzvahs, Confirmations, special school events, and always for that Sweet-sixteen.

7.0mm Akoya Pearl Earring - This size is made for young women. A gift for a college grad., a wedding gift, Valentine's Day, Secretary's Day, Mother's Day, a baby shower, or a perfect piece of jewelry to wear on that all important first day of her career.

7.5mm Akoya Pearl Necklace - Our most popular size. This size is almost a universal size. It is perfect for younger women, or older women. This size pearl necklace is perfect for that informal affair, a day at work, and it crosses over to being a fantastic size for formal wear. And perhaps the biggest reason that this size is so popular is that it is the largest size of pearl before making a really large jump in price and progressively higher prices, in the sizes above this one. This is an excellent "starter" necklace.

8.0mm Akoya Pearl Bracelet - Next to the 7.5mm this is the fastest selling Akoya Pearl size. Investment grade, can be worn formally or casually. There will be no doubt in anybody's mind that the wearer of this necklace is successful.

8.5mm Akoya Pearl Sets - From the boardroom to the ballroom wearing these symbols of power will place the wearer amongst the higher levels of success.

9.0mm Akoya Pearl Earrings - the business woman climbing the ladder of success, this makes for a fine gift, be it Christmas, a birthday or Mother's Day, this size, which is extremely rare, makes the kind of gift that she will remember you for always. Guaranteed to make you a very special person for this gift.

9.5mm Akoya Pearls - Rare. It takes progressively more years for a pearl to grow to this size, and then out of all that do, only a few become investor grade. Only grown in Japan, the ultimate in Pearls. The very finest gift that you could give. A gift of this magnitude will set you the giver apart from the rest.
